

## CONFIGURAZIONE HEXTRABUSINESS iOS

Selezionare **Impostazioni > Posta, Contatti, Calendari > Aggiungi account > Microsoft Exchange**.

Immettere le seguenti informazioni:

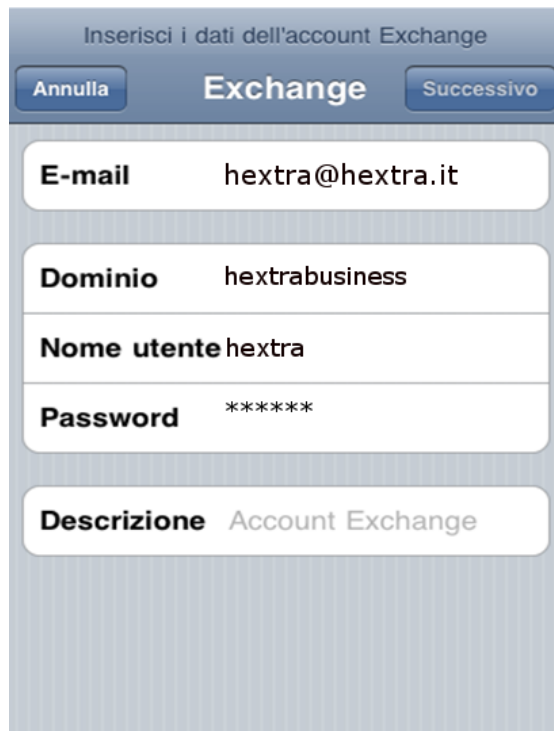

**E-mail** – indirizzo mail fornito

**Dominio** – hextrabusiness

**Nome utente** – username fornito

**Password** – password fornita

Selezionare **Successivo**.

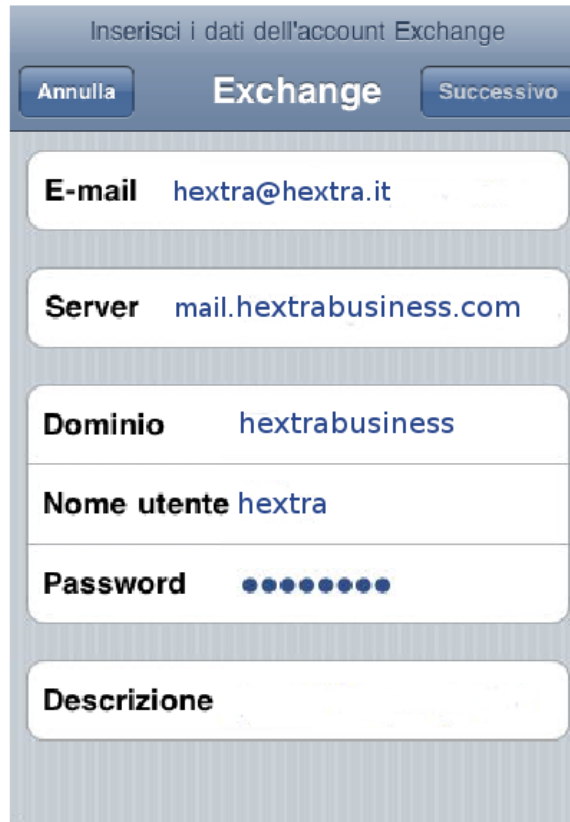

The screenshot shows the 'Exchange' account setup screen on an iOS device. The title bar reads 'Inserisci i dati dell'account Exchange'. Below the title bar are three buttons: 'Annulla', 'Exchange', and 'Successivo'. The main content area contains five input fields:

- E-mail**: hextra@hextra.it
- Dominio**: hextrabusiness
- Nome utente**: hextra
- Password**: \*\*\*\*\*
- Descrizione**: Account Exchange

# CONFIGURAZIONE HEXTRABUSINESS iOS
